

# Expenses Policy

## Staff, Trustees & Governors

For all schools in the Bosco Catholic Education Trust

This Policy has been approved and adopted by the  
Bosco Catholic Education Trust.

<b>Approved:</b>	<b>For review:</b>
Sept 2023	Sept 2025

## **1. Introduction**

The principles of this policy are:

- To ensure staff are reimbursed on a timely basis for all reasonable expenses incurred wholly, necessarily and exclusively in the course of the Trust's business;
- That staff should not gain any personal financial benefit through their employment with the Trust other than their agreed salary. Any breach of this principle may lead to disciplinary action;
- To ensure staff are aware that only by complying with the policy can the academy make reimbursements of expenses without deduction of tax
- However, the Trust recognises there are situations where an employee may be entitled to benefits in addition to their salary; this policy sets out the relevant provisions in this regard
- To ensure the Trust complies with its legal and tax obligations;
- To ensure staff are aware that public relations and perceptions require that the Trust not only has a rigorous, effective and transparent staff expenses policy in place but also that no misleading or unfortunate impression can be created in the application of this policy. Accordingly, the Internal auditors will be requested to carry out periodic reviews of the application of this policy
- The Chief Executive Officer is accountable to Parliament for Regularity compliance of the Trust i.e., ensuring public funds are used for their intended purpose. The CEO is therefore ultimately responsible for the application of this policy and responsible for delegation of authoritative responsibility in respect of this policy
- The claims procedure ensures that the Trust manages this part of its financial transactions with due diligence. The policy and procedure are mandatory to all staff. They provide guidance to all individuals claiming reimbursement of travel, subsistence or other expenses incurred in connection with Trust business.
- The policy applies to governors, directors, trustees, members of committees, full and part time members of staff, agency staff working for the Trust, other temporary staff, and volunteers.

## **2. Authorisation procedures**

- Payments to members of staff for personal expenditure (i.e., mileage, subsistence etc.) must be made using a travel and expenses claim form. This form must not be used by an individual to reclaim for example the costs of equipment, which should be ordered using the requisition/ purchase ordering system and paid with an invoice.
- The procedures for the reimbursement of expenses incurred by staff while engaged on Trust business are set out below. All staff wishing to claim reimbursement of expenses should pay particular attention to these procedures, which also include mileage, and subsistence rates.
- Supporting documentation (e.g., receipts, proof of stay, and other supporting information) must be attached to the travel and expenses claim form. With the exception of mileage claims, expenses claims must be fully receipted and unreceipted items will not be paid.
- Before any expenses are paid, they will require approval and authorisation. Expenses should be approved by the SBM, member of senior leadership team or headteacher. An individual should not approve their own expenses. The headteacher's expenses

should be approved by the Chair of Governors. The CEO's expenses, by the Chair of the Trust Board. Claims which are not authorised in compliance with these procedures will not be processed and may be returned unpaid.

- Payment will be made via payroll
- If a member of staff attempts to submit a false claim this will be treated as a serious offence which may lead to disciplinary action and a referral to the police.

### **3. Car Mileage**

- Members of staff who have to use their own private car on Trust business must seek prior authority to do so from their Line Manager.
- They should ensure that their insurance cover extends to business use and the insurer should, if necessary, be asked to endorse the certificate to confirm that driving in the performance of the Trust's business is covered by the insurance policy.
- Staff authorised to use their own car on Trust business must claim on the expenses form obtainable from the Finance Office.
- The Trust policy is to reimburse all business mileage, Reimbursement will be at the approved HMRC rate (45p for the first 10,000 miles 25p for each subsequent mile as at April 2020), this ensures no tax is payable by the employee.
- Mileage claims will be paid for journeys which start and end at school, or home, however you must deduct the appropriate mileage for your usual commute from the total of miles claimed i.e., you travel 80 miles to a meeting, your normal commute is 10 miles. 10 is deducted from the 80 for give a claim of 70 miles.
- Full details of all journeys including the date, reason for the journey, starting point and destination should be shown on the travel and expenses claim form (see Appendix 1).
- The Trust will not, under any circumstances, reimburse parking or speeding fines.
- All staff vehicles must have Road Tax and a valid MOT certificate stating the roadworthy condition of the vehicle, covering the date(s) claimed for.

### **4. Insurance**

- The Trust has an occasional business use insurance policy for staff who are not required to drive regularly for work.
- This does not cover staff who are required to drive regularly for work. These staff are required to confirm that they have taken out personal car insurance with an appropriate extension to cover use in connection with Trust business.
- The mileage rates payable by the Trust include an element to defray the cost of insurance as well as vehicle depreciation, fuel etc.

### **5. Public Transport**

- Wherever possible employees should travel by train or bus or car share when making the same journey.
- Where staff use public transport, reimbursement will be on a receipts basis, provided the expenses are reasonable.

## 6. Rail Travel

- Wherever possible employees should travel by train at standard class passenger rate. Staff may choose to travel at 1st class public transport but they will only be reimbursed the cost of standard class travel.
- The Trust is only liable for the costs relating to a member of staff's travel. Any accompanying persons will be responsible for their own costs. The exception to this is where their attendance is required as a representative of the Trust and in such circumstances, prior approval must be obtained from the Headteacher.

## 7. Subsistence Allowance: Daily and Overnight

- The subsistence rates listed below represent the maximum permissible rates available.
- Where staff travel on Trust business and an overnight stay is necessary, an overnight subsistence allowance may be claimed so long as this is fully receipted. The Trust will reimburse the reasonable costs of accommodation, food and drink when supported by receipts. The Trust will not reimburse the cost of alcoholic drinks under any circumstances.
- The Trust will only bear the cost of accommodation required for business purposes and will not meet the costs of any extensions to a stay for personal reasons or for accommodation provided to a spouse or other family members. Accommodation should always be in 3\* hotels and the cost of higher-standard of accommodation will not be met.
- Members of staff should note that items of a personal nature, such as alcoholic drinks, mini-bars, video hire etc. will not be reimbursed by the Trust and these should be deducted from any bills submitted for reimbursement.
- Subsistence: This must reflect the actual cost of meals/beverage up to a maximum of:

Breakfast	£ 10
Lunch	£ 15

- In exceptional circumstances, for example staying in London, a higher overnight rate may be approved. Such approval should be sought in advance, with justification, from the Chief Finance and Operations Officer.

## 8. Entertaining

- The general principle regarding the reimbursement of hospitality expenditure is that staff members will be reimbursed reasonable hospitality costs for themselves and guests where guests are present for a professional purpose, their presence is considered to be beneficial to the Trust and where prior approval of the CEO has been granted.
- In no circumstances will the costs of entertaining be met by the Trust if the expenditure is considered by the CEO to meet the definition of contentious expenditure.
- Expenses for hospitality will only be reimbursed for staff who have a valid reason for being present. An appropriate cost for entertaining is considered to be £15 per

head for lunch and £25 for dinner to include gratuities. The cost of alcohol, even when entertaining, will not be met by the Trust.

- It is stressed that no reimbursement of entertaining expenses will be made unless the above guidelines are followed. In addition, it should be noted that under no circumstances will the Trust contribute to the cost of hospitality when only members of staff are involved.
