

# Called to Serve

Becoming a Governor within **Bosco Catholic Education Trust**

*"Faith in action is love - love in action is service"*  
St Teresa of Calcutta

One of the greatest joys and privileges is to serve young people and make a difference to their life-chances and those of future generations.

Volunteering as a school governor or Trustee for Bosco CET is hugely rewarding and makes a profound difference to the work of schools, offering professional challenge and support.

We are currently looking for individuals, committed to wanting the best for the children in our schools, to register their interest in joining the Trust Board or governing body of one of our schools when the opportunity arises.

Anyone can volunteer as a governor and we offer plenty of training and induction to those new to the role – so please don't be put off!

We need a wide range of skills on our governing boards (as outlined below) and, in particular, are looking to ensure those boards are representative of the diverse communities they serve.

Please do get in touch if you are interested, either by contacting Alice Mackay on 01444-221776 or [amackay@boscocet.org.uk](mailto:amackay@boscocet.org.uk). To find out more about our Trust schools and Governance go to <https://www.boscocet.org.uk/become-a-governor/>

Our Trust Board is looking for additional Trustees, with experience in any of the following areas: **HR, Finance, Legal, Education, Safeguarding.**

We look forward to welcoming you!

**A Trust where all are known and loved.**
